1. On February 27, 2020, the Debtor herein filed with this Court his original petition under Chapter 12 of the Bankruptcy Code.

2. On March 31, 2020, an Order [DK #19] approving the employment of the Applicant, as attorneys for the Debtor was entered by the Court.

4. The fees and expenses charged and incurred represent reasonable and necessary fees and expenses that were required to be extended by Applicant to the Debtor in all matters which are anticipated to arise in the functioning of litigation matters, case administration and to protect and preserve all rights of the Debtor and the interests of creditors in furtherance of the counsel’s

obligations herein; and they represent normal and customary fees and expenses incurred and charged for representation of debtors in similar cases. The time, skill and experience utilized by counsel for the Debtor justify the approval of the Application.

An Order [DK #66] awarding the full amount requested was entered on March 30, 2021.

7. The Applicant's second request for allowance of compensation for professional services rendered in this proceeding covered the period from November 15, 2019, to and including July 23, 2020, and was for the sum of \$9,435.01 (\$9,093.50 in fees and \$341.51 in expenses), less any retainer balance remaining. An Order [DK #40] awarding the full amount requested was entered on August 25, 2020.

WHEREFORE, PREMISES CONSIDERED, Applicant requests that this Court enter an Order awarding reasonable attorneys' fees for the professional services rendered herein and authorizing and directing the Debtor/Chapter 12 Trustee to pay said attorneys' fees and expenses.
